

# Deva S

MERN Stack Developer

## About

A passionate and skilled MERN stack developer with strong expertise in React, Node.js, and UI design. Proficient in building responsive and user-centric applications using real-time libraries and modern web technologies

## Project Experience

- **Title : Portfolio** <https://mrdevas-myportfolio.netlify.app>  
Developed a responsive portfolio website using React.js and TypeScript, showcasing projects, skills, and contact details. Implemented a clean UI, smooth navigation, and interactive components for an optimized user experience.
- **Title : Tech Course** <https://project-tech-course.netlify.app>  
Developed a dynamic tech course website using HTML, CSS, JavaScript, and jQuery, featuring interactive course listings, smooth animations, and a responsive design. Enhanced user experience with jQuery for dynamic content updates and improved navigation.
- **Title : Organic Food** <https://organic-mywebsite.netlify.app>  
Developed a responsive Organic Food website using HTML, CSS, and Bootstrap, featuring a modern design, service listings, pricing, and contact details. Utilized Bootstrap for a mobile-friendly layout and enhanced user experience.
- **Title : Barber Shop** <https://barber-myproject.netlify.app>  
Developed a responsive barber shop website using HTML and CSS, featuring a clean design, service details, pricing, and contact information. Ensured mobile responsiveness and cross-browser compatibility for a seamless user experience.

## Education
